- **Administration of insulin injections (Delegeated Task)**

- **Monitoring blood sugar levels (Delegated Task)**

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

All delegated tasks are carried out under the guidance of licensed healthcare providers.

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

When deemed appropriate by the provider, Radiant Living Family Care, LLC may contract with a Registered Nurse (RN) delegator to oversee and delegate nursing tasks, ensuring residents receive the highest standard of care in compliance with state regulations.

The home has the ability to provide the following skilled nursing services by delegation:

When deemed appropriate by the provider, staff may perform all delegatable tasks as outlined under WAC 246.841.405. The cost of these services will be the responsibility of the resident.

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

The provider will ensure there is appropriate delegated staff in the home.

Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

☐ Developmental disabilities
☒ Mental illness
☒ Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

The provider will obtain the necessary specialty care designations. When deemed appropriate, the home may provide specialized care and attention to residents with diagnoses related to mental illness and/or dementia, ensuring their unique needs are met with compassion and expertise.

Staffing

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

☒ The provider lives in the home.

☐ A resident manager lives in the home and is responsible for the care and services of each resident at all times.

☐ The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

☐ Registered nurse, days and times: _____

☐ Licensed practical nurse, days and times: _____

☒ Certified nursing assistant or long term care workers, days and times: **When the provider is not present in the home, the provider will schedule the appropriate days & times for a CNA or long-term workers in the home.**
